

I'm a UI/UX Designer with a Software Engineering background, focused on creating intuitive, user-centered digital experiences. I bring a balance of empathy, data-driven decision-making, and cross-functional collaboration to solve real-world problems through design. Seeking an opportunity to contribute to impactful products while continuing to grow as a designer.

EDUCATION

BSc (Honors) in Software Engineering (UGC)
NSBM Green University | Sri Lanka | 2022-2026

G.C.E. O/I & A/I
Kalutara Balika Vidyalaya | 2007 - 2021

English + ICT Course
Wisdom Institution | Kalutara | 2018

EXTRA CURRICULUM & ACHIVEMENTS

DesignSprint - First Place

UI/UX Design Competition – Compuvate Association,
NSBM Green University - Team Project

Sub committee Member - Design Team

IEEE Student Branch
NSBM Green University | Sri Lanka | 2025-2026

Assistant Treasurer

Mathematics & Statistics Circle
NSBM Green University | Sri Lanka | 2025-2026

Design Team - NITC 2024

CSSL Genz Chapter NSBM Green University

Co-Chief Designer

Student Circle of Software Engineering
NSBM Green University | Sri Lanka | 2024

SKILLS

UX Design

UI Design

User Research

Figma

Wireframing & Prototyping

Design System

Problem Solving & Critical Thinking

Collaboration & Teamwork

WORK EXPERIENCE

UI/UX Designer
Hela Script (pvt) Ltd. | May 2024 – Present

- Led end-to-end design of web and mobile interfaces for multiple high-priority products, from user research to final handoff.
- Built interactive prototypes and conducted usability tests to validate design effectiveness.
- Created scalable design systems and UI libraries to maintain brand consistency.
- Collaborated cross-functionally with product managers, developers, and marketing teams to align design goals with business objectives.

UI/UX Designer Intern
Hela Script (pvt) Ltd. | Nov 2024 – May 2025

- Gained hands-on experience across the full design process, including UX research, wireframing, prototyping, and usability testing.
- Collaborated with local and international clients to design impactful, user-focused solutions.
- Assisted in developing design systems and maintaining visual consistency across platforms.
- Worked closely with developers to ensure accurate implementation of design components.
